New Mark Commons Hydrant Painting

Project Description: The City is phasing in the National Fire Protection Association (NFPA) standard for fire hydrant color coding. Volunteers will be in your neighborhood to paint 27 City fire hydrants on Saturday, Oct. 10 and Sunday, Oct. 11 between 9 a.m. and 4 p.m. The hydrants will be painted safety yellow with the appropriate bonnet color to signify the hydrant's applicable flow rate. Eventually, all City fire hydrants will be painted to the NFPA standard.

Purpose: To paint all City fire hydrants yellow to meet the NFPA standard.

Location: New Mark Commons

Timeline: Painting will occur on Saturday, Oct. 10 and Sunday, Oct. 11 between 9 a.m. and 4 p.m. If volunteers are unable to complete the work due to inclement weather, the work will be rescheduled for Saturday, Oct. 17, and Sunday, Oct. 18.
